

Annual Meeting 2010...The Odyssey Continues

April 23, 2010 Pre-Conference

Ewa Beach Golf club

91-050 Fort Weaver Road...Ewa Beach, HI...96706

April 24 – 25, 2010

JW Marriott Ihilani Resort & Spa, Ko'Olina

92-1001 Olani Street...Kapolei, HI... 96707

February 3, 2010

The Hawaii Pharmacists Association (HPhA) continues its pharmacy odyssey with its Annual Meeting 2010 activities. Join us in our quest as we begin a new decade with pharmacy members coming together for HPhA's largest continuing education event.

Over 150 pharmacists, pharmacy technicians, and pharmacy affiliated colleagues are projected to attend this conference. The Annual Meeting provides an ideal opportunity to meet and network with the pharmacy community of Hawaii.

Our Mission:

The Hawaii Pharmacists Association strives to advance and support the practice of pharmacy by improving the quality of care throughout the healthcare continuum in collaboration with our patients and members of the healthcare team.

EXHIBITS

More than 25 companies from the pharmaceutical industry, health care services and technologies plan to exhibit at our annual meeting. Meet the representatives, view new products and services.

Pre-Conference CE Activity + Golf Tourney

Friday, April 23 at Ewa Beach Golf Club: 91-050 Fort Weaver Road, Ewa Beach, HI 96706

6. Discuss how unwanted or expired prescriptions are handled, with an emphasis on prevention.
7. Discuss other water treatment solutions with the aid of technology.
8. Describe what responsible disposal of pharmaceuticals entails.

11:45 AM –12:15 PM **Session 4 – Pharmacy Residents 1, 2**

12:15 PM – 1:45 PM **Luncheon/ Residents 3, 4/ and Exhibits Open**

1:45 PM – 2:45 PM **Session 5 – Robin Luke, CPhT, President NPTA, Austin, TX**
UAN 0168-000-10-105-L04-P (Pharmacists) and UAN 0168-000-10-105-L04-T (Techs)
1.0 Contact Hr. or 0.100 CEUs

Topic: Benefits of Certified Pharmacy Technicians in Your Pharmacy

At the completion of this program, the participant will be able to:

1. Understand the evolution of the pharmacy technician career path
2. Describe advantages of certification
3. Define the steps taken to become a CPhT
4. Compare and differentiate between the 2 most popular certification tests offered
5. Relate how other pharmacy practice areas benefited from CPhT
6. Outline the current career outlook for certified pharmacy technicians
7. Identify some emerging areas of growth for certified pharmacy technicians
8. Explain how a state board of pharmacy would implement new regulations i.e. CPhT, license and registration
9. List some considerations for CPhT implementation

Saturday – April 24, 2010 (continued)

2:45 PM - 3:45 PM **Session 6 – Joana H. Magno, MD; Cardiologist, Queens Medical Center, Honolulu, HI**
UAN 0168-000-10-106-L04-P (Pharmacists) and UAN 0168-000-10-106-L04-T (Technicians)
1.0 Contact Hr. or 0.100 CEUs

Topic: Women's Health Heart Disease

At the completion of this program, the participant will be able to:

1. Discuss how women are stratified into high, intermediate, lower, and optimal risk categories for cardiovascular disease.
2. Gain knowledge on lifestyle approaches to the prevention of cardiovascular disease in women.
3. Gain awareness of evidence-based approaches to cardiovascular disease prevention for patients with hypertension, lipid abnormalities, and diabetes.
4. Review an evidence based approach to pharmacological risk intervention for women at high and intermediate risk of cardiovascular events.
5. Summarize commonly used therapies that should not be initiated for the prevention or treatment of heart disease, because they lack benefit, or because risks outweigh benefits.

3:45 PM - 4:00 PM Break

4:00 PM - 5:00 PM **Session 7 - Diane Ginsburg, MS, RPh, FASHP; ASHP President-Elect, Austin, TX**
UAN 0168-000-10-107-L04-P (Pharmacists)
1.0 Contact Hrs. or 0.10 CEUs

Topic: Teaching Across the Generations: Challenges and Opportunities for Preceptors

At the completion of this program, the participant will be able to:

1. Identify characteristics of the millennial generation
2. Discuss the strategies for teaching across generations
3. Develop methods for effective communication with residents, students, and peers

5:00 PM **Wesley Sumida, PharmD, BCPS; President, Hawaii Pharmacists Association**
Saturday's Meeting Adjournment
Reminder: Evaluations forms to be completed online at www.hipharm.org

Sunday, April 25, 2010

Moderator: Selma Yamamoto, PharmD, BCPS, Incoming President, Hawaii Pharmacists Association

7:30 AM - 8:00 AM Registration/ Continental Breakfast/ Exhibits Open (Ocean Ballroom I & II)

8:00 AM - 8:15 AM **Welcome and Opening Remarks**

8:15 AM – 10:15 AM **Session 8 – Shari Kogan, MD; Geriatric Medicine, Queen’s Medical Center, Honolulu, HI
Carol China, RPh, BCPP, Queens Medical Center, Honolulu, HI**

UAN 0168-000-10-108-L04-P (Pharmacists) and UAN 0168-000-10-108-L04-T (Techs)
2.0 Contact Hrs. or 0.20 CEUs

Topic: the DIVAS (Dementia Interventions, Variables for Aging Systems)

At the completion of this program, the participant will be able to:

1. Distinguish between dementia, delirium and depression.
2. Identify risk factors of dementia.
3. Discuss the variables that affect pharmacokinetics in the aging
4. Integrate practical techniques for appropriate simplifications of medication regimens in the elderly.

10:15 AM – 10:45 AM **BREAK – Exhibits Open**

10:45 AM – 12:00 PM **Session 9 – Colleen Terriff, PharmD, BCPS; Clinical Assoc. Professor, Washington State
University, Spokane, WA**

UAN 0168-000-10-109-L04-P (Pharmacists) and UAN 0168-000-10-109-L04-T (Techs)
1.5 Contact Hrs. or 0.15 CEUs

Topic: Man vs. Nature: Emergency Preparedness and Response

At the completion of this program, the participant will be able to:

1. Select the appropriate emergency definition (i.e. incident vs. emergency vs. disaster.)
2. Identify an appropriate first-line therapeutic regimen (i.e. drug, route, dose) for a specific category A bioterrorism agent.
3. Diagram the correct steps for flow of information and actual request for a specific pharmaceutical resource.
4. Compare and contrast prevention and treatment of H1N1 novel vs. seasonal influenza virus given a patient case.

12:00 PM – 1:30 PM **LUNCH/ Installation of Board Members/ Residents 5 & 6**

1:30 PM – 2:30 PM **Session 10 – Galen Chock, MD; Dept. of Pediatrics, Chief, Queens Medical Center,
Honolulu, HI**

UAN 0168-000-10-110-L04-P (Pharmacists) and UAN 168-000-10-110-L04-T (Techs)
1.0 Contact Hrs. or 0.10 CEUs

Topic: Childhood Obesity

At the completion of this program, the participant will be able to:

1. Understand the magnitude of childhood obesity in Hawaii
2. Learn the role of drugs in the obesity evaluation
3. Identify the role of drugs in treatment of childhood obesity
4. Discuss how our medical community is approaching childhood obesity

Sunday – March 29, 2009 (continued)

2:30 PM – 3:30 PM

Session 11 – V. Ted Leon, MD; Family Medicine, Chief, Queens Medical Center, Honolulu, HI

UPN 0168-000-10-111-L05-P (Pharmacists) and 0168-000-10-111-L05-T (Techs)

1.0 Contact Hrs. or 0.100 CEUs

Topic: Adult Obesity

At the completion of this program, the participant will be able to:

1. Discuss weight loss options and the patient's perspective.
2. Review medication reduction after successful weight loss.
3. State use and position of medications in weight loss treatments.
4. Recognize the costs of treating the disease of obesity.

3:45 PM

Selma Yamamoto, PharmD, BCPS, President, Hawaii Pharmacists Association
Closing Remarks

Announce completion of evaluation forms to be done online: www.hipharm.org
